Dear Mary:

Mr. Timothy Jenkins of the Equal Employment Opportunity Commission called us here to ask how they could reach you in Mississippi. They are very impressed with your two adult education pamphlets about the okra co-op. They are considering similar pamphlets for the purpose of more effective explanation of their own function. Mr. Jenkins should probably be getting in touch with you in the near future.

If there is anything we can do for you here, please let us know.

Sincerely yours,

Bob Bass  
Assistant Civil Rights Director

P.S. Hello, Mary, Heidi & Whoopy----beware that evil demon in the flour tin.
