EMORY ROSS

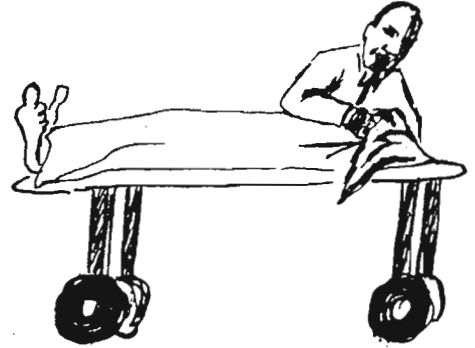

CORONER

1958

1962

1964

A coroner is elected every four years.

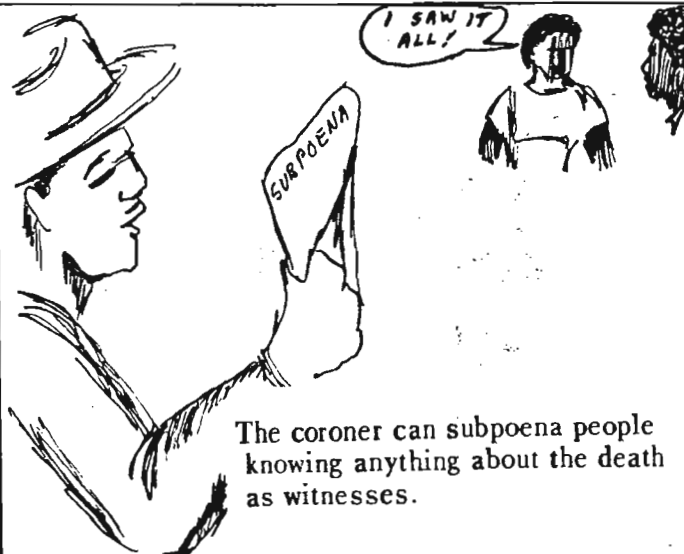

His main duty is to hold inquests.

When a person is killed for unknown reasons, the coroner is called upon to find the cause of death.

If evidence shows that the person may have been murdered, he then calls six people from the county to serve on a jury to determine the cause of death.

The coroner can subpoena people knowing anything about the death as witnesses.

The sheriff serves the subpoena for the coroner.

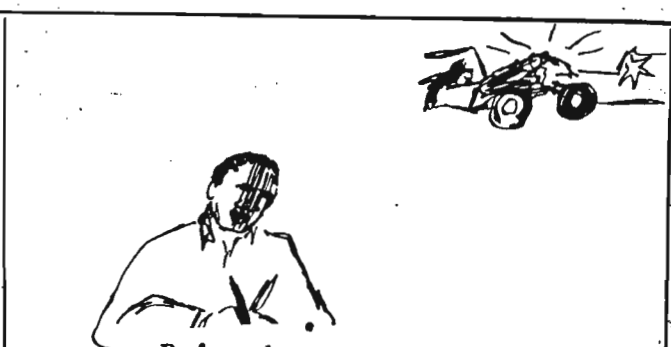

If a witness does not come before the jury, the sheriff can arrest him.

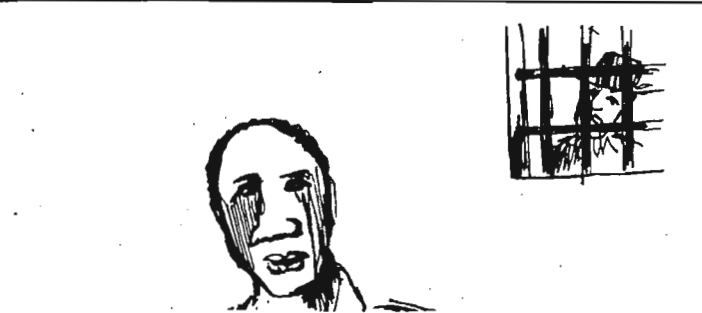

MAKE YOUR REPORT AND I'LL PAY YOU FROM THE COUNTY FUND

The coroner can hire doctors to examine the body and help find the cause of death.

Before the tenth day of each month the coroner must file a report of all persons killed in auto accidents the month before.

IF THE SHERIFF IS IMPRISONED, THE CORONER BECOMES THE JAILKEEPER.!!!

IF THE SHERIFF CANNOT SERVE, THE CORONER TAKES HIS JOB!!!
