Dear Mr. Rapport:

Your request for additional literature will be sent to you in the next two or three days.

You will be receiving twenty-five manuals (25) giving instructions as to organization, fifty (50) calls, two thousand (2,000) leaflets and two thousand (2,000) buttons. If additional literature and buttons are needed you should contact me (Courtland Cox) and they will be made available.

Buttons are to be sold for twenty-five (25) cents each. The money should be sent by check payable to the March on Washington Committee. All money should be sent as soon as possible to the March office. The money from the sale of buttons is being used to finance those people from the south who cannot afford the transportation fares.

Respectfully yours,

Courtland Cox
Administrative Committee
